

A group of approximately 20 students and one male teacher are posing for a group photo on a running track. The students are arranged in two rows, with the front row standing on a low metal platform. They are all wearing blue athletic jerseys with the 'Kempa' logo and yellow lanyards with medals. Several students in the front row are holding blue certificates that say 'URKUNDE'. One student in the back row is holding a large trophy. The teacher, on the far left, is wearing a white Under Armour t-shirt and blue shorts. The background shows a green grassy field and trees under a cloudy sky.
